Octr 29 – 55

Rev & dear Sir,

I have again spent some hours in vain searching old letters and papers to ascertain the dates of your uncle's settlement and dismissal in Westborough &c. I think he came to L— in 1815 – and died May 2nd 1832 – his wife's name was Nabby Drury – should think she died late in 1817 — Lavinda was born aug – 1799 – died in 1823 – John R. born in aug. 1802 . . . .

I send a paper containing an extract – of their dismissal from the church in W. if that will be of any use – – – –
Now, dear sir, I cannot but regret your publishing anything about that partially insane dear man as I believe it will, in a degree, revive former animosities – and renew my own distresses, should it appear in this region . . . . . !!!

Most respectfully yours

rev. E. R—
